**APPLICATION FOR INDUSTRIAL ATTACHMENT – SHADRICK SIAME-  
SIN:23128146 EMAIL: siameshadrack2003@gmail.com**

I am writing to request industrial attachment for SHADRICK SIAME, a 2<sup>nd</sup> year student in the School of Information and Communication Technology, pursuing a Bachelor of science in Computer Science.

As part of the university's academic requirements, all our students must complete a three-month industry-based internship before they graduate. This program is designed to enhance their professional development, equip them with practical skills, and prepare them for future career opportunities.

We would greatly appreciate your favourable consideration of this request. Please do not hesitate to reach out for any further information.

Yours faithfully
